Heaven Solar Energy

Empowering India with Solar Energy

www.heavensolarenergy.com

ABOUT US

Heaven Solar Energy Private Limited is a leading solar energy solutions provider, committed to driving the transition to sustainable energy across Gujarat and beyond. Established in 2018, we have quickly emerged as a trusted partner for residential, commercial, industrial, and large-scale solar projects, offering end-to-end Engineering, Procurement, and Construction (EPC) services.

Our headquarters in Surat, Gujarat, and our branch office in Junagadh serve as hubs for our extensive operations, which have led to the successful installation of over 200 MW of solar power. Our strong partnerships with government agencies such as DISCOM, GEDA, SLDC, and GUNVL, along with our top-tier team of 50+ solar experts, have positioned us among the top 3 EPC companies in Gujarat for 2024.

Heaven Solar Energy is a top innovator in the renewable energy sector, recognized among the top 5 in the residential solar market and a leading distributor of Adani Solar modules in Gujarat. Since 2019, we've provided comprehensive solar solutions, including solar park development, rooftop solar EPC, and high-quality components. We also manufacture Solar LT & HT panels, ACDB, and DCDB. With ISO 9001 certification, our mission is to empower clients with sustainable energy solutions and lead India's solar energy revolution.

MISSION

To make India truly independent in meeting its energy needs by advancing renewable energy solutions that are efficient, reliable, and accessible to all. We aim to create a sustainable future where clean energy powers every home and industry, driving a self-reliant and greener India for generations to come.

VISION

We aspire to become a leading company in the renewable energy sector, continually expanding our reach and impact. Our goal is to list Heaven Solar Energy Private Limited on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE), marking our success and commitment to the industry.

CORE VALUES

Integrity

We conduct our business with the highest ethical standards, ensuring transparency and trust in every action we take.

Commitment

Our dedication to excellence drives us to deliver high-quality solar solutions that meet & exceed customer expectations.

Customer Satisfaction

We conduct our business with the highest ethical standards, ensuring transparency and trust in every action we take.

Growing Together

We conduct our business with the highest ethical standards, ensuring transparency and trust in every action we take.

Became Top EPC in Gujarat

2024

Became Polycab Authorized Dealer

2018

Became GEDA Channel Partner

2021

30+ Team Members

2023

Achieved 200 MW+ Solar Project

24-25

Became 100 Crore Company

OUR SERVICES & PRODUCTS

Solar Park Development (EPC):

We specialize in the development and construction of large-scale solar parks for industrial clients, providing end-to-end Engineering, Procurement, and Construction (EPC) services to ensure efficient and reliable energy solutions.

INDUSTRIAL & COMMERCIAL SOLAR ROOFTOP PROJECTS:

Our expertise extends to rooftop solar projects for residential and commercial properties, offering turnkey solutions that include design, installation, and maintenance to maximize energy savings.

Solar Components Supply:

As authorized distributors of Adani Solar and Polycab inverters, we supply high-quality solar components, including Adani Solar panels, Apollo structures, cables, and inverters, ensuring that our clients receive the best products in the industry.

Manufacturing of LT & HT Panels :

We manufacture essential protection panels for solar projects, such as Solar LT & HT panels, ACDB, and DCDB, providing customized solutions that enhance the safety and performance of solar installations.

CLIENT TESTIMONIALS

Heaven's team is always available in case of emergency and provide us Quick design & solar project management support on site. Team is really knowledgeable and supportive. We always get optimized designs and crystal clear drawings which really helps to execute projects well. I recommend every solar EPC to try Heaven's service once

- Dhaval Bhai, Garuda Power

We are working with Heaven since last 6 years. In my view these guys are solar expert. They have supported us with large scale solar project executions and provide us complete end to end guidance for documentation work. We are looking forward to have long term relations with Team Heaven.

- Mehul Prajapati , Say Solar
